Mark Haney is a successful entrepreneur, media personality, and angel investor with a portfolio of 50+ Sacramento-based companies across various industries including new media, tech, consumer products, real estate, construction, transportation, distribution, and security. Mark's accomplishments include successfully exiting a Rocklin, CA based enterprise that maintained hundreds of employees and generated over \$200M in annual revenues.

Having scaled the entrepreneurial mountain and achieved many of his lifelong dreams, Mark has turned his attention and resources to helping the next generation of entrepreneurs succeed. He also serves as Past President of the Sacramento chapter of Entrepreneurs Organization (EO) and on various corporate and non-profit boards. He and his family devote time to helping military veterans through his "Allegiant Giving" non-profit.
